

# Memorandum

To: CHAIR AND COMMISSIONERS

CTC Meeting: December 13-14, 2006

Reference No.: 2.5f.(3)  
Information Item

From: CINDY McKIM  
Chief Financial Officer

Prepared by: Norma Ortega  
Division Chief  
Budgets

Subject: **INFORMATIONAL REPORT –SHOPP SAFETY PROJECTS ALLOCATED BY  
THE DEPARTMENT UNDER RESOLUTION G-03-10**

## **SUMMARY:**

Since the period reported at the last California Transportation Commission (Commission) meeting, the Department of Transportation (Department) allocated \$5,800,000 for two State Highway Operation Protection Program (SHOPP) safety projects, as described on the attached list, pursuant to the authority granted by Resolution G-03-10.

As of November 8, 2006, a total of \$66,154,000 for 14 safety-delegated projects has been allocated in Fiscal Year (FY) 2006-07. The Department has installed 30.5 centerline miles of median barriers and upgraded guardrails in FY 2006-07.

## **BACKGROUND:**

On March 28, 2001, the California Transportation Commission (Commission) approved Resolution G-01-10, as amended by Resolution G-03-10, delegating to the Department authority to allocate funds for SHOPP safety and pavement rehabilitation projects. This authority allows the Department to begin work without waiting for the next Commission meeting to receive an allocation.

Delegation authority for rehabilitation projects was suspended at the December 2002 meeting.

The Department has complied with the National Environmental Policy Act and the California Environmental Quality Act requirements in preparing these projects.

The SHOPP, as approved by the Commission, is a four-year program of projects with the total annual proposed expenditures limited to the biennial Commission approved Fund Estimate. The Commission, subject to monthly reporting and briefings, has delegated to the Department the authority to amend programmed projects, the authority to allocate funds for safety projects and the authority to allocate funds to emergency projects. The Department uses prudent business practices to manage the combination of individual project cost increases and savings to meet Commission policies.
